

**November - Mentor Classes**  
**Holiday Projects – Tissue Box Holder & Gadget Holder**  
**Supply List**

**Thursday, November 15 – 6:15pm for setup**  
**At Mennonite Church of Normal on Hovey**

At the November mentoring class we will be making a Tissue Box Holder and a Gadget Holder.  
**There will be a charge for the patterns.**

Basic sewing supplies:

sewing machine  
rotary cutter, ruler, cutting mat  
scissors, straight pins, thread

**Fabric for Tissue Box →**

2 fat quarters  
15” square of fusible fleece

Prep for class: Cut two 14 1/2” squares from fat quarters and fusible fleece

**Fabric for Gadget Holder →**

10” x 10” square of fabric will make one Gadget Holder with Tool Tabs

We will provide the filling for the Gadget Holder.
