

Learn How to Piece Curves!

Workshop Supplies and Prep *Picnic Petals* quilt

Workshop Description:

Does the thought of sewing curves give you anxiety? Don't fear the curve!

Students will learn tips and tricks to create a fantastic curve while making blocks needed for *Picnic Petals*, designed by Sheri. Class includes step-by-step instructions and quilting tips. Sheri will also share her favorite tools and tips for staying organized. This is a good class for quilters who have never sewed curves or those who want to gain more experience. ***Each student must purchase their own copy PRIOR to the workshop to complete prep work.***

By the end of class, most students will have at least one of each of the types of blocks needed to make the *Picnic Petals* quilt. Students can select which size quilt they would like to make (Throw, Twin or Queen)— fabric requirements and assembly instructions for all three sizes included in pattern.

See next page for what to prepare and bring to the workshop.

Learn How to Piece Curves!

Workshop Supplies and Prep *Picnic Petals* quilt

Prior to class, please:

1. Purchase the *Picnic Petals* quilt pattern.
Each student must purchase their own copy PRIOR to the workshop to complete prep work.
<<< See cover image. Pattern can be found online at: shop.wholecirclestudio.com
2. Using colored pencils, markers or fabric swatches, play with color placement using the supplied **Coloring Sheets** (found on the last pages of this PDF)
3. Complete **Preparation** directions on page 1 of the pattern.
I HIGHLY recommend starching and pressing your fabric prior to class.
4. Read **Cutting Tips** on page 2 of the pattern.
5. Cut your fabric—you'll want to focus on sewing, not cutting during class! If you don't want to fully commit to cutting all of the pieces for the entire pattern (or you're unsure), cut at least:
 - Pieces needed for Center Block 1 (see page 2 of pattern)
 - Pieces needed for at least one Border Block 1 (see page 3 of pattern)

What to bring to class:

1. *Picnic Petals* pattern
2. Completed Coloring Sheet for the size quilt you will be making.
2. Extra fabric (*if you decide NOT to cut all of the pieces for the entire pattern or need help making final color selections*). See next page for fabric requirements.
3. Templates you pieced from **Preparation** directions in *Picnic Petals* pattern
4. Prep work described above.
5. Sewing Machine with ¼" foot or guide (If you don't have a ¼" foot, bring blue painters tape—you can make your own ¼" guide!)
6. Basic Sewing Supplies, for example:
 - Iron/Pressing Surface
 - Thread
 - Pins
 - Seam ripper
 - Marking pen/pencil
 - Scissors, Acrylic Ruler, Rotary Cutter
7. Spray Starch
8. Notebook/Journal and pen or pencil for taking notes

I'm looking forward to the class!
