

Northern Lake County Quilters Guild
Mystery Quilt Along
2023
Colorful Possibilities

Northern Lake County Quilters Guild is having a mystery quilt along!

Once a week, for 8 weeks this winter, our guild will be releasing clues via email for a fabulous pieced quilt pattern that is perfect for beginners, but also has enough options to intrigue the experienced quilter. The finished quilt is designed to be 64" x 76" but there will be instructions included to make it smaller or larger.

This is a guild fund raiser so join in and invite your friends, family and fellow quilters! For a cost of \$10.00 for NLCQG members and \$15.00 for non-members you'll receive:

- All the fabric requirements, block directions and assembly instructions.
- Access to three optional zoom meetings to discuss fabric choices, quilt assembly & quilting options.
- An optional facebook group, set up for sharing and discussion.
- Email access to the mystery pattern designer for any questions.
- AND A BONUS! For our non-members, your fee will cover attendance at our July Ice Cream Social and Bingo Meeting where we will be sharing our completed quilts.

To sign up, email mystery@nlcqq.org with your name, email and payment preference.
