Picnic Petals: Learn How to Piece Curves!

Workshop by Sheri Cifaldi-Morrill of Whole Circle Studio

Prior to class, please:

1. Purchase, download and print the ***Picnic Petals*** pattern (cost: \$12) at: <https://shop.wholecirclestudio.com/product/picnic-petals>
NOTE: each student must purchase their own copy of the pattern.
2. Using colored pencils, markers or fabric swatches, play with color placement using the supplied **Coloring Sheet** (found in the pattern PDF)— If you need help narrowing down fabric selection or choosing colors, I'm happy to help in class!
3. If you are not purchasing the OPTIONAL Picnic Petals Acrylic Template Set (see below) complete **Preparation** directions on page 1 of the pattern. If you order the Acrylic Template Set, you can skip these steps.
4. I HIGHLY recommend starching (I like Niagara or Faultless spray starch) NOT Best Press or other flattening sprays) and pressing your fabric prior to class.

What to bring to class:

1. *Picnic Petals* pattern.
2. Fabric for the quilt size you are making.
(If you're unsure about final fabric selection or quilt size, just bring fabric that you like, or what you have, and focus on learning the process during class. Most students will complete one Center Block and one Border Block by the end of the workshop.)
3. If you would like to purchase an OPTIONAL *Picnic Petals* Acrylic Template set (makes cutting quicker and more efficient plus you don't need to make your own templates) purchase it here by **March 6, 2020** to guarantee your set for class: <https://shop.wholecirclestudio.com/product/picnic-petals-acrylic-template-set>
Save on shipping! If you would like me to hand deliver your set, enter the code **HANDSALL** at checkout and select free shipping. If you would like the templates prior to class, select the flat fee shipping option.
NOTE: students may share Acrylic Template sets if they wish.
4. If you do not want to purchase the OPTIONAL *Picnic Petals* Acrylic Template set, bring the templates you made yourself from the **Preparation** directions in *Picnic Petals* pattern
5. Your Coloring Sheet(s)
6. Sewing Machine with 1/4" foot or guide (If you don't have a 1/4" foot, bring blue painters tape—you can make your own 1/4" guide!)
7. Basic Sewing Supplies, for example:
 - Thread
 - Thin Pins (I like Iris Superfine Pins)
 - Seam ripper
 - Marking pen/pencil
 - Scissors, Acrylic Ruler, Rotary Cutter—I highly recommend a small 28mm rotary for getting around the curves
8. Iron and pressing surface.
9. Notebook/Journal and pen or pencil for taking notes
