Use teal or your choice of color but in this case, the color in all the cutting and associated labels is **C**.

Label the pile.

Cut 24 pieces that are 9" x 2 1/4"

In this example, you will have **24** pieces of **teal (or your color choice)** that are **9" x 2 1/4"** and the pile will be labeled **OB A/B 1C**. *These labels will make sense once you start your foundation piecing.* Contact Julie Mooberry if you have any questions.
