Make it yourself. Make it your own.

Workshop: Walking Foot Wonders (6 hours + Lunch Break)

Level: All

Description:

Learn to stitch beyond the ditch and unleash the power of your walking foot to quilt modern or traditional designs. Walking foot motifs to be taught include: wavy lines, decorative stitches, irregular grids, several different spirals, straight-line designs, and more. You'll leave class armed with the confidence that yes, you can quilt your own quilts!

Supply List

- Recommended – any of Christa's machine quilting books: *Machine Quilting With Style*, *The Ultimate Guide to Machine Quilting*, or *Piece and Quilt with Precuts*. Books will be available for purchase during class, or you may order them ahead of time at shop.ChristaQuilts.com. Use code LOCAL at checkout to avoid the shipping and I'll be happy to bring them with me!
- 12 practice quilt sandwiches consisting of two large squares of solid or tonal colored fabric basted together with batting in between; I recommend at least 10" for the top square, 11" for the batting, and 11" or more for the bottom square of each "sandwich"; for variety, you may substitute single quilt blocks in any size, or printed fabric for a few of the practice squares. Baste using basting spray or pins and do NOT stitch around the edges.
- Thread to match your fabrics – I recommend cotton, 50 weight Aurifil
- Thread snips
- Washable marking pen and straight edge, or painters' tape to use as a guide
- Sketchbook and pen or pencil for note taking and practice sketching
- If bringing your own machine:
 - Sewing machine in good working order with owner's manual and all attachments, extra bobbins
 - Walking foot or integrated dual feed – arrive with it attached to your machine
 - New machine needle –size 80/12 sharp, topstitch, or machine quilting
